AKC National Owner-Handled Series

The AKC National Owner-Handled Series is a non-titling competition for dogs that are exhibited by their owners that are not professional handlers.

Exhibitors must declare their dog is Owner-Handled eligible at the time of entry on the entry form.

Dogs entered in the Amateur-Owner-Handler class will automatically be marked as eligible to compete in the NOHS.

Eligible dogs will be identified by an asterisk in the judge's book, steward's book & the catalog. Dogs must be handled throughout the breed level competition for the regular show by an eligible owner.

Professional handlers*, household members and current assistants** to professional handlers may not exhibit the dog in any NOHS competition during the entire show. For a detailed description of the National Owner-Handled Series, please visit the AKC website NOHS pages at:

<https://www.akc.org/sports/conformation/national-owner-handled-series/>

**Professional handlers are defined as any person who belongs or has belonged to a professional handlers' organization, distributed rate cards, or otherwise advertised or represented themselves as handling dogs for pay within the last five years.*

***A current assistant is defined as anyone employed by a professional handler on a full-time basis or assisting a professional handler at the show or any time during the cluster/weekend.
